

DENNIS BOYLE CRITICAL WITH BULBAR POLIO

Dennis Boyle, six-year-old Emmitsburg child, is in a critical condition today, at Baltimore City Hospital, with bulbar polio. The paralysis has affected his chest and neck, affecting his breathing and making it impossible for him to swallow.

A son of Mr. and Mrs. Joseph Boyle of Emmitsburg, the youngster was slightly ill for several days before paralysis set in quickly about noon Monday. He was moved to the Warner Hospital here where the disease was diagnosed and he was removed immediately to Baltimore. He was placed in an "iron lung" Monday night.

The child became ill last Friday with what appeared to be a virus condition. He entered St. Euphemia's School at Emmitsburg last week as a first grader and had been in school two days before becoming ill. Monday afternoon, what had appeared a mild virus condition turned into a paralysis within a brief time.

Father In Germany

His father, Cpl. Joseph Boyle, is in Germany, stationed there with the U. S. Army, of which he has been a member since World War II. Mrs. Boyle, the former Miss Marian Hummerik, of Emmitsburg, had been a telephone operator there for some time, and was serving during the summer as an operator during the vacation period for the regular operators.

Mrs. Boyle accompanied her child to Baltimore Monday afternoon. Two younger sisters of Dennis, aged four and one, are staying with relatives while Mrs. Boyle is at Baltimore.

The case is the eighth polio case among children in this area. One of the youngsters, Joseph Claiborne, 8, of Chambersburg St., has been returned home from the Harrisburg Hospital. He is reported as apparently completely cured of any paralysis or weakness but must continue exercises.

GOVERNOR OF ROTARY PLEASED WITH CLUB HERE

District Governor Mark R. Herr, Lancaster R. 3, praised the local Rotary Club for its "excellent" condition in a meeting with club committee chairmen held following the regular club meeting Monday evening at the YWCA.

District Governor Herr spoke at the regular meeting and then presided at a club assembly of committee chairmen.

He expressed particular interest in the club's program this summer of having a Swedish student here for eight weeks, and having the student live with members of the club during his stay. Such programs plus the Rotary Foundation plan of giving scholarships to graduate students throughout the world to study in other countries should do much to establish understanding among peoples, and help the cause of world peace, Herr said.

Urges Foundation Support

He urged Rotarians to make additional contributions to the Rotary Foundation, pointing out that about \$300,000 a year is being expended and "the more money there is, the larger the number of scholarships that can be granted."

In his talk before the club Governor Herr said: "The most important thing for a Rotary Club to do is to promote understanding. You must have understanding among the members if the club is to operate successfully; you must understand your community and what it needs if you are to operate as a service club and meet the community's needs; and we must promote international understanding if we are to have a peaceful world. In our own nation there is greater need for understanding among groups, for misunderstandings have cost us dearly in labor unrest, and similar problems."

Arthur Mayberry, of the group arranging the re-enactment of Lincoln's visit here, urged the members to participate in the pageant. "The Western Maryland Railway is celebrating its 100th anniversary by re-staging, as accurately as possible, the

RAFFENSPERGER VICE PRESIDENT OF FIRE POLICE

E. Glenn Raffensperger, 39 South St., a member of the Gettysburg Fire Police, was elected vice president of the Adams County Fire Police Association Monday evening at a meeting in Arendtsville.

Election of Raffensperger followed acceptance of the resignation of Paul Bigelow, Littlestown, who told the group that the pressure of other business prevents his taking part in the activities of the county fire police as an officer. Bigelow's resignation was accepted with regret.

Raffensperger and Paul Hollinger, Littlestown, were nominated from the floor for the vacant office. C. W. Henry and Emmert Walker were named tellers by President Charles W. Culp Jr. Raffensperger was chosen in a close election.

President Culp Speaks

Borough councils and township supervisors are the "real bosses" of the fire police according to state laws, President Culp told the group. He added that the fire police in boroughs should be listed with the councils, and that fire police in the townships must be listed with their township supervisors. Councils generally delegate authority over the fire police to the burgesses, Culp said, but actually the councils hold the final authority over the fire police.

The fire police association voted to spend no more than \$15 of its own funds for expenses in connection with the election.

CHAMBER WILL HOLD ANNUAL DINNER IN NOV.

The Chamber of Commerce will hold its annual membership dinner in November, and plans for the affair were discussed at a meeting of the Board of Directors Monday night in the chamber's office in the Kadel Building.

The same procedure of nominating three directors to replace those whose terms expire with the annual meeting as was used last year was adopted for this year's election. N. A. Meligakes, president of the chamber, who presided at the meeting, appointed Charles B. Bender, William Musser, John E. Caldwell, Calvin A. Cluck and A. E. Hutchison as a nominating committee.

This committee will send lists of the entire membership to each of the chamber, who will in turn nominate three for directors. The high ten will be asked if they will serve if elected. Ballots will then be prepared for the vote at the annual meeting.

No speaker has been obtained for the dinner meeting yet, it was reported.

To Entertain Patients

Arrangements have been made to bring patients at the Mt. Alto Sanatorium here for a tour of the battlefield, Mrs. Helen Snyder, secretary, reported. The Elks and Moose have each contributed \$35 and the Eagles \$25 for four buses to bring the group to Gettysburg, she said. Additional funds are needed. An appeal will be made to battlefield guides to donate their services. The tentative date is September 28.

The directors table a request from Howitzer Co., 2nd Batt., 104th Armored Cavalry, Pennsylvania National Guard, of Gettysburg for a contribution. The secretary reported that members of the "Dixie" infantry regiment band which gave a concert here recently were given dinner after the concert at the Moose house. Five organizations, Moose, Elks, Legion, VFW and Eagles, shared in the cost of the meal, she said.

13 Join Bureau

It was reported that 13 merchants have contributed thus far toward memberships in the proposed credit bureau. This number, Chairman Musser said, is not sufficient to establish a bureau here. The directors discussed attending meetings of (Please Turn to Page 2)

"OPEN HOUSE" TO BE HELD AT YWCA SEPT. 30

An "open house" will be observed at the Gettysburg YWCA building Tuesday, September 30, it was announced to the members of the "Y" board of directors at their September meeting Monday evening by Mrs. Frank H. Kramer, program committee chairman. A special committee is in charge of arrangements for the affair.

The resignation of Mrs. Edward J. Nowicki Jr., as Rotary Committee chairman, a position she has held for more than three years, was accepted by the board with regret and with an expression of appreciation for her services.

Mrs. M. K. Eckert was elected to take Mrs. Nowicki's place. Her name was proposed by Miss Martha Stall-smith, nominating committee chairman.

Get Committee Reports

The meeting was opened with a worship service led by Miss Ruth Doud, executive secretary. The board president, Mrs. W. Raymond Samuel, presided at the meeting with Mrs. Rosetta Armour-acting secretary.

These committee reports were given: House, Mrs. Charles Weikert; Membership, Mrs. William H. Pensyl; public affairs, Mrs. John S. Rice; Y-Teens, Mrs. John D. Teeter; Youth Fellowship, Mrs. Fred G. Pfeiffer, and a Rotary committee report given by the secretary, Mrs. Philip Hughes, presented a report for the Business and Professional Women's Club.

A statistical report for June, July and August was given by Miss Doud showing there were 78 meetings in that period with a total attendance of 1,482. She stressed the service the "Y" is rendering here to people from all parts of the country and Canada who visit Gettysburg during the tourist season.

TO BE COMMISSIONED

Miss Dorothy Jane Wehler, former assistant at the Adams County Public Library, will be commissioned a lieutenant in the United States Air Force Friday morning at 10 o'clock at the Lackland Air Force Base, San Antonio, Texas. Formerly a resident of New Oxford, Miss Wehler attended Gettysburg College. She is a member of the 1952-C Class of the Officers' Candidate School at the air base.

MISS LEE

GHS, COLLEGE GRID COACHES LIONS' GUESTS

The Gettysburg High School and Gettysburg College football teams may not be as good as some local folk believe if the short talks their respective coaches gave at the weekly meeting of The Gettysburg Lions Club, Monday evening, at The Shelter House are borne out.

Howard Shoemaker, coach of the Gettysburg High School Warriors, told the group, "We are definitely not as strong as a year ago. We have some nice size linemen but there are five or six positions to fill that we will have to depend on inexperienced men."

Shoemaker added: "We had about 42 candidates out at the start of the season but are down to 36 now. Practically all of the 13 seniors on the squad will be playing. We scored 190 points a year ago and had 39 scored against us. This year we are definitely not as good."

Ross Sachs, who assists Shoemaker at the high school, stated that the Warriors have practically the entire backfield returning with the exception of two fullbacks—Bill Williams who is attending Shepherd College and Bill Bucklew who is attending Penn State.

Get College Picture

John Yovicsin, who is in his first year as head football coach at Gettysburg College, stated, "We have 29 lettermen returning, but our outlook is not nearly as optimistic as general appearances may indicate. We need more and bigger tackles and we are shallow in defensive backs. Offensively we looked pretty good in our first scrimmage."

Yovicsin gave a run down of the coming practice sessions with other football squads. On Saturday, September 13, the Bullets will scrimmage West Chester at West Chester. On Wednesday, September 17, Shippensburg State Teachers will be scrimmaged under the local high school lights. The final pre-season "scrim" will be with Johns Hopkins at Baltimore on Saturday, September 20.

SEEK BUSINESS MANAGER TO AID IN SCHOOL WORK

The Gettysburg Joint School Board voted Monday evening to employ a business manager for the school district and a committee was named to make a study of the proposal and report with recommendations next month.

The suggestion was made by Daniel J. Wolff, a member of the Gettysburg board, who declared: "In view of the amount of business we do, we need help for the superintendent in the way of a business manager. We're getting into this big building program and there's entirely too much for the superintendent to look after."

"As things are now, board committee members have to spend many hours away from their own businesses on school matters and this should not be necessary. Other schools have employed this plan and found it has worked well."

He pointed out the school district has "almost as much business as the county government" and described the size of the staff in the county commissioners' office. (The Gettysburg joint district's budget for this year is \$386,000, a figure topping the county's budget figure by roughly \$50,000.)

Committee Is Named

Mr. Wolff urged that the matter be given prompt consideration and moved that the board employ a business manager. The motion Dr. R. D. Wickerham, board president, was directed by another motion to appoint a committee to investigate the plan and make recommendations at the next meeting.

Wickerham appointed this committee: D. J. Wolff, chairman; Donald Weikert, Cumberland; Melvin Kane, Franklin; Raymond Scott, Freedom; Casper Barup, Highland; Arthur Buehler, Mt. Joy, and Ralph Guise, Straban.

One director pointed out the "terrible burden" that has fallen on the shoulders of Dr. L. C. Keefeauver, superintendent, with the development of the building projects involving a high school addition and an elementary building.

Dr. Keefeauver's only comment indicated he will welcome the plan. "You don't know how glad I am to hear that," he declared. "I haven't had a vacation for two summers but I don't mind that so much if I could just get caught up."

One task Dr. Keefeauver has had to accomplish in connection with the building plans has been the estimating of pupil population for six years ahead, working out budgets for all of the school district for three and more years ahead and estimating detailed costs of the new buildings, room by room and every piece of furniture.

Rehearse Lincoln Pageant Tonight

Members of the local cast who will take part in the re-enactment of Lincoln's visit to Gettysburg on October 18 will rehearse again tonight at the American Legion Home, Baltimore St.

Those who will make up a part of the Lincoln party on the Lincoln train are asked to be present at 7:30 p.m. The group who will represent the townspeople will rehearse beginning at 8 o'clock.

Those who have not been measured for costumes may have their measurements taken any afternoon this week between 1 and 5 p.m. at the Western Maryland station, Carlisle St., or at rehearsals.

NEW OXFORD TO GET ENGINEER TO SURVEY TOWN

New Oxford's borough council will proceed with an engineer's survey to determine the need and cost of a new sewer system for the borough—but the making of the survey will not necessarily bind the council to proceed with plans for a new disposal system.

That was the result of a lengthy meeting of the New Oxford governing body held Monday night in the administration room of the New Oxford Fire Hall.

Approximately 50 citizens of the borough were present for the session held to obtain the sentiment of the people of the town on the question of New Oxford's drainage problems.

Interested But Cautious

Following a discussion in which most of the citizens showed much interest in the problem, but most also stressed caution, Council President Fred G. Klunk, asked the group to vote on the question of whether the council should proceed with a fact-finding engineer's survey, provided they survey could be made (Please Turn to Page 3)

Men Of Trinity To Dine On Sept. 24

A fall dinner-meeting will be held by the Men of Trinity in the educational building of Trinity Evangelical Reformed Church Wednesday evening, September 24, at 6:30 o'clock.

The Rev. Francis Reinberger, new professor of practical theology at the Lutheran Theological Seminary, will be the speaker. Miss Louise McDannell, Arendtsville, will present several vocal selections. Robert D. Fidler, professor at Gettysburg High School, will be the toastmaster.

A turkey dinner will be served by the women of the church.

The meeting is open to all the men of the church, their guests and friends.

METAL WORKING WILL BE ADDED AT HIGH SCHOOL

Expansion of the course of study in the industrial arts department at the Gettysburg High School was voted at the September meeting of the Gettysburg joint school board Monday evening when heating plant improvements at the high school were ordered and additional equipment was authorized for agricultural and industrial arts departments at the high school.

The board voted unanimously to add sheet metal working to the course of instruction in the industrial arts department and ordered the necessary equipment, costing about \$1,500.

The board ordered a new drill press for the agricultural shops and were told by Dr. Keefeauver that visiting schoolmen have described the Gettysburg "ag" department as "one of the best equipped in this area." Dark curtains for the "Ag" department and for an industrial arts room also were ordered.

Elect Attendance Officer

Two teachers' desks and 36 chairs were ordered at the request of Dr. Keefeauver.

The board re-elected Leo Riley as district attendance officer and fixed his annual salary at \$100.

Opening sealed bids on materials and labor necessary to make corrections to the high school heating plant, the board awarded the contract for the work to the lowest bidder, the Keystone Grate and Blower Company of Chambersburg, at its offer of \$3,384. There were two other offers that ranged up to \$4,800. Dr. R. D. Wickerham, board president, said the district has been given an oral guarantee that the zone control system being installed will "work."

\$6,000 Item Saved

Property Committee Chairman Donald Weikert said minor changes remain to be made in specifications for new equipment for the high school cafeteria but that his committee soon will be ready to advertise for bids.

A motion made last month by Director Daniel J. Wolff of Gettysburg may have saved the joint school district about \$6,000. In August, Wolff objected to the six per (Continued on Page 2)

5,478 Persons Not Registered

Registrations for the November election reached 18,522 today, with approximately 5,478 persons eligible to vote still not registered in Adams County.

The special registration held Monday in Conewago Twp. added 30 Republicans, 88 Democrats and 3 non-partisan voters to the registration lists.

The next special registration will be held Thursday in Menallen Twp. Eligible voters may also register any day this week from 8 a.m. to 4 p.m. and on Friday and Saturday nights from 7 p.m. to 10 p.m. in addition to the daytime hours at the court house.

Saturday is the last day to register for the November election.

PLAN TO BUILD 18-ROOM SCHOOL BUILDING HERE

The Planning Committee of the Gettysburg Joint School District was directed by the joint district board Monday evening to prepare preliminary plans for an 18-room elementary school building to be erected on land at the southern edge of the town where condemnation proceedings are underway to procure a site in Colt Park.

The 18-room unit was decided upon after a discussion in which it was brought out that present needs require that much additional space and that census figures show a rapidly mounting volume of elementary school pupils in the years just ahead.

"It is most vitally important that we get started as quickly as possible on a new elementary school building," Dr. L. C. Keefeauver, superintendent of schools, declared.

"There are eight jammed rooms at the High Street building, nine at Lincoln School, three rural schools in Cumberland Twp. and three rooms at the Hoffman Orphanage filling our needs at present. We have been planning to abandon High Street and if we wish to discontinue use of Lincoln School (which has very limited playground facilities) we are going to need a lot of new grade school building space," he declared.

Can Use Lincoln School

It was pointed out that Lincoln School could be continued in use until new facilities are available. It was pointed out also that under a previous decision of the board, there will be two new elementary buildings with one to follow the Colt Park structure—on a site not yet secured.

"We haven't been getting anywhere on another site," Dr. R. D. Wickerham, board president, told the board without referring to any particular location.

The directors had been told by Dr. Wickerham earlier in the meeting that the awaited state approval of the Colt Park location has been secured in writing from Harrisburg and with that necessary preliminary out of the way, legal steps will be taken within the next week or two to accomplish the condemnation. "Mr. Brown (Richard A. Brown, the school district attorney) was away when the letter from Harrisburg came and it will be later this week or next until the condemnation can be started," the board president explained.

Plans Are Held Up

At the same meeting the school directors were told by Dr. Keefeauver that plans for the auditorium-classroom addition to the high school building—which is expected to cost close to \$700,000—are languishing in Department of Public Instruction files in Harrisburg awaiting approval that must come before bids can be asked, a contract awarded and work begun.

The addition is urgently needed to relieve crowded conditions at the high school but the board Monday evening could gather no indication of when it may be able to start construction.

The cost of the new high school addition came up for discussion Monday evening and Dr. Keefeauver revealed that extensive calculations he has made to supply the state with figures has indicated the \$700,000 can be undertaken without any overall tax increase in the joint district.

Dr. Keefeauver said that the assessment equalization program and expected increases in state reimbursements will make the building possible without tax boosts. He said six-year projected pupil surveys, room schedules for the new addition, building and furnishing, estimates indicated an annual rental by the authority from the school districts on the new building of \$32,000, which would be divided among the member districts. His figures indicate an actual tax rate drop will be possible in Cumberland Twp., a drop in Franklin Twp., a continuation of the present rate in Freedom with the possibility of dropping the per capita rate, the same rate in Gettysburg with the addition of a per capita tax, continuation of the present rate in Highland and Straban and an eventual drop in Mt. Joy Twp.

COUNTIAN IS JAILED

Leroy D. Miller, Gettysburg R. 3, was committed to jail this morning by Justice of the Peace John H. Basehore on a surety of the peace charge in default of \$500 bail for a hearing Thursday night.

Miller was arrested by Constable Charles Smith on a warrant sworn out by George S. Waddle, Railroad St.

HELD IN JAIL

Four hundred and fifty fried chicken and ham suppers were served at the annual Sunday School picnic of St. James' Reformed Church, along the Harney road, on Saturday evening. Musical entertainment was provided by the Littlestown High School Band. Refreshments were sold.

200 At Special Service

Approximately 200 attended the Galilean service held on Sunday evening at the Littlestown Fish and Game Farm, near town. The service was sponsored by the congregation of St. John's Lutheran Church, the Rev. William C. Karns, pastor, and was conducted on the hillside of the farm with the participants of the evening's program occupying two boats on the lake, to carry out the idea of Christ teaching the multitude from the fisherman's boat.

The service was as follows: Doxology as the opening; invocation, Rev. Mr. Karns; responsive reading, Psalm 19, led by the Rev. Mr. Karns; trumpet solo, two hymns, played by Paul R. Snyder; quartet, composed of Edgar E. Yealy, Albert Starnier, Dale W. Starry and L. Robert Crouse, sang a capella "My Anchor Holds"; sermon by the Rev. Dr. W. Dietz, a professor at the Lutheran Theological Seminary, Gettysburg, spoke on the subject "The Kingdom of God"; vocal solo, "Perfect Day," by Robert B. DeGroot; group singing of "Blest Be the Tie," and the service concluded with the Christian Endeavor benediction repeated in unison. The service was arranged by a committee composed of Edgar E. Yealy, Mrs. Edgar A. Wolfe and Charles E. Tressler.

Legion To Meet

There will be a meeting of the Ocker-Snyder Post No. 321, American Legion, on Thursday evening at 8 o'clock at the post home, East King St. Following the business session, refreshments will be served.

John Smith, Elizabethtown, visited during the week end with his son-in-law and daughter, Mr. and Mrs. Donald J. Staub, and family, East King St.

There will be a meeting of the Littlestown Cub Scouts on Thursday evening at 7 o'clock at the Scout headquarters in the Littlestown State bank. The Cubs are requested to take their achievement books to be checked for the award ceremony to be held in the near future.

John H. cent architect's fee which he was told would be charged for the new high school addition. Some board officials told Wolff six per cent was a uniform rate used by architects and it was useless to protest, but Wolff made a motion that was passed asking that an attempt be made to get a better rate.

A letter read to the Board Monday evening revealed that after being approached about the matter, the Hamm architect firm at York had expressed a willingness to do the job for 5 per cent "in view of the size of the project." The architect told a board representative the matter of his rate had never previously been discussed. The letter also said the architect's services will include "full supervision."

On motion of Ralph Guise, chairman of the Finance Committee, the board, bills totaling \$6,720 were ordered paid.

The monthly report of the First National Bank, school district treasurer, showed receipts of \$43,557 and expenditures of \$24,918 in the last month, leaving a September 2 balance of \$18,638.

All member districts were represented at the meeting which was held in the high school library.

Countian Is Given Suspended Sentence

Magistrate Edward J. Smith in Peoples Court, Frederick, Saturday morning suspended sentences of six months in the House of Correction imposed on two Pennsylvania men convicted of beating Bernard William Stitley, 22, Frederick.

At the hearing Magistrate Smith imposed fines of \$50 each on Donald Wayne Miller, 24, of Gettysburg R. 4, and Harold LeRoy Breen, 22, of Bellefonte, Pa., and suspended the prison term on the stipulation that the defendants pay for medical expenses incurred by Stitley.

Stitley stated in court that he was walking down South Market St. in Frederick about 11:40 o'clock on August 28 and two men "who looked like they had been drinking" spoke to him.

"After I responded, Miller hit me and almost knocked me out," Stitley continued. He said he was hit several times and was kicked, and his glasses were broken.

Lena Gerber, of Frederick, said she saw Miller "kicking and striking Stitley." She said she called Officer Stockman.

The defendants did not testify and pleaded guilty to the assault. Their attorney, E. Austin James, said the two men were working on construction for the telephone company and expect to remain in the area about one month. He admitted the two had been drinking, and asserted neither had a criminal record.

Sgt. A. Norman Dietz, of the Frederick police, exhibited photographs showing that Stitley had been struck in the eye, mouth and jaw.

COMMITTED TO JAIL

Charles Bowser, Abbotstown, and George Morningstar, Hanover R. 3, were committed to the county jail Saturday night when they were unable to pay fines of \$10 each when given a hearing before Justice of the Peace George A. Littlestown

REV. KAMMERER NEW PRESIDENT OF MINISTERIUM

Reorganization of the Littlestown Ministerium took place at the first fall meeting on Monday morning in St. Paul's Lutheran Church. The president, the Rev. G. Howard Koons, presided. Opening prayer was offered by the Rev. Frank E. Reynolds. The secretary, the Rev. Charles B. Rebert, presented the bi-monthly report.

New officers were selected as follows: President, the Rev. David S. Kammerer; vice president, the Rev. William C. Karns; secretary-treasurer, the Rev. Mr. Rebert. The Rev. Frank E. Reynolds announced that the Rev. Henry S. Raab, pastor of the Second Evangelical and Reformed Church, Harrisburg, has been secured as the speaker for the annual preaching mission to be held in St. Paul's Church the first full week in January, 1953, Jan. 4 to 9.

Plans were discussed for the Ministerium to participate with the Protestant churches in the national "Revised Standard Version Bible Observance," which will be held from September 28 to October 5, by holding a special service in St. Paul's Church on Sunday, September 28, 7:30 p.m. The general plan is arranged by the Pennsylvania State Sabbath School Association. The goal for such meetings in Pennsylvania is set for 400. The Rev. Mr. Kammerer reported that the Rev. Dr. Jacob M. Myers, a member of the faculty of the Lutheran Theological Seminary, Gettysburg, has accepted an invitation to preach the sermon at this special service.

The Ministerium made arrangements to be in charge of the daily morning devotions over a radio station in Hanover at 8:30 a.m. during the week of September 29 through October 3. Vice President Karns made the assignments as follows: Monday, September 29, the Rev. Mr. Koons; Tuesday, the Rev. Mr. Kammerer; Wednesday, the Rev. Harvey B. Simons; Thursday, the Rev. Mr. Karns; and Friday, the Rev. Mr. Reynolds.

Plan Union Services

A schedule was adopted for the fall series of Sunday evening union vesper services, which follows: Oct. 12, in Redeemer's Reformed Church, with Rev. Mr. Kammerer securing the speaker for the evening; Oct. 19, in St. John's Lutheran Church, Rev. Mr. Reynolds in charge of securing a speaker; Oct. 26, the annual union Reformation service, in Christ Reformed Church, Rev. Karns will obtain the speaker; November 2, special union service commemorating 125 years of Methodism in Littlestown, sponsored by the Centenary Methodist Church and endorsed by the Ministerium for the public to attend, to be held in Centenary Methodist Church, with the Rev. Mr. Simons securing the speaker; November 9, annual union Armistice service, in St. Paul's Church, Rev. Mr. Reynolds obtaining the speaker; Nov. 16, in St. John's Church, Rev. Mr. Kammerer securing the speaker; Nov. 23, in Redeemer's Church, when the film entitled "More For Peace" will be shown; Nov. 30, in Christ Church, Rev. Mr. Simons securing the speaker; December 7, in the Methodist Church, Rev. Mr. Karns securing the speaker, and Dec. 14, in St. Paul's Church, Rev. Mr. Koons will obtain the speaker.

The Rev. Mr. Karns was authorized to secure or arrange for transportation to the leadership training school which is scheduled for six successive Monday evenings beginning October 20 to be held in Gettysburg. The members of the Ministerium unanimously expressed gratitude that the Rev. Mr. Rebert had recuperated very well from his recent operations and was able to be present and assume his duties as secretary-treasurer for the Monday session. At the conclusion of the business transaction the Rev. Mr. Koons retired as president and the newly-elected president Rev. Mr. Kammerer, accepted with appropriate remarks. The next session of the Ministerium will be held Monday, November 3, 10 a.m.

Mr. and Mrs. Paul Morehead, East King St., entertained at a surprise party on Saturday from 10 to 11:30 o'clock in honor of their daughter, Kay, who observed her seventh birthday anniversary. The children played games and prizes were won by Judy Wolfe Barbara Phillips and Judy Shomper. The honored guest received many gifts. DODGERS AND GIANTS SPLIT 5 GAMES APART

By JOE REICHLER
AP Sports Writer

The New York Giants still believe in miracles and the Clevelanders refuse to vanish from the race.

Thus the league-leading Brooklyn Dodgers and New York Yankees must extend themselves to the limit during the final three weeks of the campaign if they are to meet in the October World Series.

The Yankees own a two-game lead in the American League race but must play all but three of their final 16 games away from home. The Indians have the same number of games to play, but 14 of them are in Cleveland. The Yankees and Indians meet only once more this season, but that game, too, will be played in Cleveland.

Giants Closer This Year
Neither the Dodgers nor the Giants has a schedule advantage. Each club has 16 to play at home and three on the road. But the Giants are comforted by the fact that they are better off this season than they were a year ago today.

Last year at this time, the Giants trailed the Dodgers by 6½ games. Today, following yesterday's split of their day-night doubleheader, New York was only five lengths in back.

The Giants' desperate bid to overtake the Dodgers appeared to have been stopped when the Dodgers crushed them, 10-2, in the afternoon clash, but Leo Durocher's gallant crew bounced back to win the night portion of the twin bill, 3-2, to barge back into the thick of the battle.

First Game Easy
A two-run sixth inning homer by Alvin Dark and a ninth-inning, two-out double by Don Mueller won for the Giants after Joe Black's brilliant relief hurling and Duke Snider's power hitting had given the Dodgers an easy first-game triumph.

It was Mueller's double in the last half of the ninth that scored Hank Thompson from second with the run that gave the Giants a split. But the outfielder had to share the starring role with Sal Maglie, the Giant pitching ace.

Maglie, returning to the mound after being knocked out the day before, hurled three masterful shutouts in relief and stopped cold a Brooklyn threat in the seventh, retiring three Dodgers with the score tied and the potential leading run on third base and nobody out.

Ennis' Left Hand Is Not Fractured

PHILADELPHIA (AP)—X-ray pictures reveal that Del Ennis, stellar Philadelphia Phillies outfielder, does not have a fractured left hand as had been reported.
It was announced Sunday that Ennis fractured the second metacarpal bone in his left hand in the opening of Saturday night's twinning bill against the Boston Braves.
Club trainer Frank Wiechec said Ennis might be able to return to the lineup for tonight's game with the St. Louis Cardinals.

TRIMBLE WILL COACH EAGLES

HERSHEY, Pa. (AP)—Big Jim Trimble took over today as head coach of the Philadelphia Eagles to face the man-sized assignment of tackling the champion Los Angeles Rams within five days.
"I really stepped into a frightening position," admitted the former University of Wichita mentor after learning last night he had been named to succeed the ailing Wayne Millner.

The National Football League Eagles meet the powerful Rams Saturday in Philadelphia under their fourth coach in three years. Vince McNally, the Eagles' general manager, handed the head coaching reins to the 34-year-old Trimble last night shortly after he accepted Millner's resignation. Trimble had been line-coach under Millner.

Stays With Club
Millner later accepted McNally's offer to remain with the club as assistant to the general manager in charge of player personnel and game scouting.

The 33-year-old Millner took over last year early in the season after the late Alvin (Bo) McMillin had been forced to retire, also because of poor health. McMillin had been named to succeed Earl (Greasy) Neale after the 1950 season.

Trimble, who played tackle under McMillin at Indiana University, said he expects to continue Millner's basic T formation offense "and most of the other plans we worked out together."

SIGNS WITH BUCS
PITTSBURGH (AP)—Franklin G. Zimmerlink, 18-year-old Redstone High School pitcher, signed a contract today with the Pittsburgh Pirates.
Zimmerlink, a southpaw, will report to St. Johns, Quebec, a Pirate affiliate in the Provincial League, in 1953.

SENATORS BEAT BUCS
PITTSBURGH (AP)—Bucky Harris' Washington Senators shut out the Pittsburgh Pirates, 3-0, last night in an exhibition game.
Both sides used three hurlers and collected three hits each. Mel Hoderlein's single in the seventh accounted for one tally. The Senators pushed over two runs in the fourth on a double and four walks.

Warriors To Face Huge Owl Team Friday At Westminster

Gettysburg High School's football team will face probably the biggest outfit it will be called upon to meet during the coming campaign when it tangles with the Westminster Owls at Westminster Friday evening at 8 o'clock.

Coach Herb Ruby of the Owls has announced a probable starting lineup which will average 185.7 pounds per man on the line and a backfield averaging 176.2 pounds.

A strong forte of the Warriors this season is expected to be its big forward wall but Westminster will have several pounds advantage there as well as a considerable advantage in the backfield.

Owls' Lineup
Here's the way Coach Ruby plans to line up his team against the Warriors: Ends—Robert Dell, 6-3, 180, and Gene Jenkins, 6-1, 170; tackles—Russell Owings, 6-2, 190, and Allan Baugher, 5-11, 205; guards—John Essich, 5-10, 160, and Charles Havens, 5-10, 169; center—Charles Cook, 5-9, 190; backs—Robert Parry, 6, 175; Al Kelbaugh, 5-11, 190; Richard Hersh, 5-10, 170, and William Barriks, 5-8, 170.

There is plenty of height and weight among the Owls' first string reservists, too, and it will mean the Warriors will undoubtedly get a rugged test in their first 1952 outing.

Coaches Howard Shoemaker and Ross Sachs pitted their squad against Coach Gene Haas' Biglerville Cannons in a scrimmage Monday afternoon and were far from satisfied with the results.

From a spectators' viewpoint it would appear that several Warriors are not yet ready for the gridiron lid-lifter while others may be taking the coming tilt too lightly.

DeHaas Injured
Topping the rather discouraging performance of the Warriors Monday was the first serious injury of the season. Billy DeHaas, first string fullback who has been showing much promise, suffered a leg injury which will keep him out of the first game and may shelve him for another week or two.

Wrestling Card At Lincoln Park

Wrestling fans in this section of the Keystone State will be due for a treat Saturday night when Promoter Lew J. Steinbaugh presents his fourth and final outdoor show of the current season at Lincoln Park, Fayetteville.
In appreciation of the fine patronage accorded him, Steinbaugh has signed two of the country's top-flight grapplers—the sensational Antonino (Argentina) Rocca and Gene (Mr. America) Stanlee—as main event principals. They will battle it out over the one-fall-to-a-finish rule.

Rocca only recently returned from a trip to the west coast and Steinbaugh considers himself very fortunate in being able to bring the colorful South America Italian to Lincoln Park. "The Rock," as he is known in wrestling circles, is matdom's No. 1 box-office attraction and has shattered attendance records from one end of the country to the other.

East Berlin Has Small Soccer Squad

Just twelve candidates, including four lettermen, reported to Coach Jake Diviney at East Berlin High School for soccer drills.
Unless more candidates report the Indians will be sorely pressed for reserve strength inasmuch as 11 players compose a soccer team.

Lettermen reporting were Jack Hoffman, Glen Gruver, Harvey Stimeon and Junie Ensor. Other candidates are Jim Brown, Don Giddefter, Carl Fogle, William Miller, Laverne Krall, Don Klimeidist, Elmer Roland and Wallace Wehlan.

The schedule follows: Sept. 17, Spring Grove, home; 19, Dillsburg, away; 23, Dover, home; 29, North York, home; October 1, Manchester, away; 3, Spring Grove, away; 7, Dillsburg, home; 9, Dover, away; 14, North York, away; 17, Manchester, home.

The New York Football Giants boast a pair of 260-pounders. They are Tackle Tex Couler and Center John Rapacz. Lightest man on the team is Walt Kohanowich, a rookie halfback from Hofstra, Hempstead, N.Y.

Interstate

By The Associated Press
Three right-handers and a southpaw will attempt to hurl their clubs to a temporary advantage tonight as the Governor's Cup Playoffs of the Class B Interstate League get underway.

York meets pennant-winning Hagerstown in the Maryland city while second-place Allentown plays host to Lancaster in the start of the best-of-seven game semi-final series.

Manager Dutch Dorman has picked the veteran right-hander Andy Bush (16-6) to go for Hagerstown against York's right-hander John Waltman (11-6).

Manager Whitney Kurowski is expected to start left-hander Bob Hoch (15-3) against fourth-place Lancaster's right-hander Jack Ceplo (11-10). Hoch won 12 straight games this season for the second-place Cardinals.

Bob Bailey, rookie halfback with the Detroit Lions, ran an opening kickoff 84 yards for a touchdown for Washington State in 1949. It was the first time he carried the ball. It happened against UCLA.

Eastern League

By The Associated Press
The Eastern League's batting champion will lead the Reading Indians into the four-way battle for the Governor's Cup tonight.
Mike Lutz, the Indians' hard-hitting outfielder, was named the circuit's top slugger yesterday, on unofficial figures compiled by the league office. His average was .321.

In tonight's play-off opener, Reading will be host to the pennant-winning Albany Senators, and the Schenectady Blue Jays visit Binghamton. Winners of the best-of-seven semi-finals will meet in the finals.

Jamestown Falcons Have Playoff Edge

JAMESTOWN, N. Y. (AP)—Right-hander Jerry Davie's seven-hit shutout gave the Jamestown Falcons a one-game edge today in the final best of seven Pony League Governor's Cup playoff.

Davie struck out 10 and walked three to beat Hornell, 8-0, in the series opener last night.

Jamestown batted around in the second inning to score five runs on three hits, two walks and a hit batsman. Rightfielder Chuck Lau's two-run single was the big blow.

HURLS SECOND ONE-HIT GAME

Despite hurling his second one-hitter within a week, Don Harbold was forced to accept a five-inning scoreless tie as York Springs and Plainfield battled Monday evening at York Springs in the title series of the Bi-County Baseball League.

Harbold fanned 10 and walked three. Last week in a six-inning affair he whiffed 17 while yielding but one safety.

York Springs has a 2-0 lead in the best-of-five series.

Welcome New Member
Richard Debus, business manager of Gettysburg College, was welcomed into membership as the 130th member of the club.

Lion President John S. Rice told the group that the Lions Club is composed of 130 of the leading business and professional men of Gettysburg, and the club "owes the community a little bit more than it has been giving."

"We have a good town, we have a good community, and I'm sure each of us can bring an idea for some improvement to the community which will make it just a little better place in which to live," he asserted.

Monday night was observed as "Honor Our President" night with all the members standing and singing, "For He's a Jolly Good Fellow," at the start of the meeting.

General tenor of the questions asked and the comments given by the citizens indicated that those present believed the town should have a sewer system covering the entire borough if such a system can be constructed without placing the town too heavily in debt that the rates to the users would have to be almost prohibitive.

Borough Solicitor Eugene V. Bulleit, answering questions on methods of financing, said that the majority of such systems are being constructed today by municipal authorities set up for the purpose. Boroughs are prohibited by law from borrowing more than an amount representing seven per cent of their assessed valuation, he said.

May Cost Half Million
Usually the cost of a new sewer system is much higher than the seven per cent of assessed valuation amount, the attorney said. New Oxford's assessed valuation is approximately \$600,000, which would place its borrowing capacity by law at about \$42,000.

President Klunk told the group previous preliminary surveys had showed that the cost of a sewer system for the community would be between \$250,000 and \$500,000.

Councilman Charles A. Cook was one of the members of council to say that a number of people had talked to him about the project and ex-

YOU'LL WHISTLE FIRST AT ITS CLEAN, FRESH, YEARS-AHEAD STYLING

Think back to the number of times you've turned to get a second look when a new Mercury swept by. That's because there's something new, exciting, and beautiful to look at. For Mercury is a freshly styled car... with a breath of the future about it. It looks to tomorrow, doesn't borrow from yesterday as do so many so-called "new" cars today. That means you get a car you'll be prouder of and a car that will be worth more at trade-in time, if you can ever bear to part with it.

YOU'LL WHISTLE AGAIN AT THE THRIFT OF THIS ECONOMY CHAMPION

The big whistle will come when you become a Mercury owner... when you find out just how thrifty this great car can be. For this is the country's top economy car... repeat winner against all comers in the famous Mobilgas Economy Run. And that means economy and power, economy and comfort. Because the coveted Sweepstakes prize always goes to the car with the best balance of these qualities. There's a Mercury waiting for you to try at our showroom. Why not make it today?

FIFTY YEARS AGO

Local Miscellany: D. J. Swartz
on Monday took charge of the
grocery store recently purchased
by him from J. F. Tipton.

There were slight frosts in this
section on Friday and Saturday
mornings.

An automatic scales and conveyer
is on exhibition at the entrance
to the power house for the benefit
of the visiting millers.

We extend our thanks to Jacob
A. Rummel, of Cumberland Twp., for
a basket of delicious peaches.

The Fourth Battery, U. S. Field
Artillery, from Fort Meyer and two
troops of the U. S. Cavalry will
encamp near the Confederate monument
on Culp's Hill.

The steam flouring mill, in this
place, since the improvements have
been completed is kept quite busy.

Fifty barrels of flour per day are
being turned out, and at this rapid
rate it will require some time to
fill the orders booked ahead.

The Record says that Hanover
dealers are entirely out of anthracite
coal. We are still better off than
our neighboring town, but our
supply is very small.

One of the most beautiful flower
gardens it has been our privilege
to view is that of Mr. Peter
Thorn's, W. Middle St.

Wedding Bells: At the home of
the bride in Littlestown, on Sunday
evening, Sept. 7th, at 6 o'clock,
Miss Lilly M., daughter of Mr. and
Mrs. Samuel A. Mehning, and
Calvin M. Shandbrook were married
by the Rev. E. E. Blint in the
presence of the immediate
families and a few friends. The
bride was attended by Miss Grace
Mehning as maid of honor, and
Charles Mehning was best man.
Tuesday the happy couple left for
Harrisburg, at which place Mr.
Shandbrook has embarked in business.

Married:—Glosser — Slay-
baugh. — Sept. 9, at Frank-
lin, York County, by Rev. J. C.
Coulson E. R. Glosser to Miss
Hattie A. Slaybaugh, both of But-
ler Twp.

Mickley — Withlock. — Sept. 4,
in this place, by Rev. D. W. Woods,
Jr., Daniel G. Mickley, of Green-
castle, to Miss Martha A. With-
lock, of Harrisburg.

Kennell — Hoffman. — July 30,
at the parsonage, of Twelfth St.,
M. E. Church, North Eleventh St.,
Philadelphia, by the Rev. Jos. B.
Greff, D. D., John L. Kennell, of
Philadelphia, to Miss Annie V.
Hoffman, of Freedom Twp.

Hoffman — Jobe. — Sept. 4th,
at York Springs, by Rev. L. M.
Gardner, Calvin Hoffman, of Men-
allen Twp., to Miss M. Ray Jobe,
of Huntingdon Twp.

State Millers Meet: The twenty-
fifth annual convention of the
Pennsylvania Millers' State As-
sociation is now being held in this
place. The convention assembled
this afternoon at 2:30 o'clock in
Xavier Hall. William McSherry,
Esq., welcomed the flour makers
to our historic town.

This evening Capt. L. W. Min-
nigh will give a lecture. Wednes-
day will be spent in going over the
field with Capt. Minnigh as guide.

The Eagle Hotel serves as head-
quarters.

Death's Doings: George Hayes
Hake, son of Mrs. Mary Hake, of
this place, died at his home in
Atlantic City, Sunday morning of
typhoid fever, aged about 27 years.

Mr. Hake is survived by his
wife, who was Miss Alma Hum-
melbaugh, to whom he was mar-
ried seven months ago, also by
his mother, three sisters and three
brothers.

Funeral will be held Wednesday
morning at 10 o'clock from the
residence of Mr. and Mrs. Leander
Hummelbaugh, N. Washington St.

Pacing Races: On Saturday af-
ternoon a number of people wit-
nessed two pacing races at the
track west of the Seminary.

In the first race there were two
entries, "Lottie L." owned by C.
Edgar Tawney, and "Mary Mc." owned
by J. E. McCammon. The
race was won by the former. Best
time 2:29.

Second Race — Three entries,
"Harry B." owned by John E.

Today's Talk

STRENGTH FOR THE DAY
For hours this summer I sat and
watched the birds feed from a
standard that I built in front of
my cabin. There I placed seeds
and crumbs. At first they were a
little shy, but soon they were com-
ing one after another feeding
themselves morning and night, but
rarely during the day. Early in
the morning they were there,
however, for their biggest feed.
They apparently wanted strength for
the day, for they are lively and ac-
tive all day long.

In the morning it is that we
want this strength ourselves, so
that we may go to our work with
a will and with a zest and hope.
Strength for the day. Physical
strength, yes, but far more im-
portant and more vital, spiritual
strength. We need the companion-
ship of an inner God to whisper
ways and means, and hands held
out to us to assure us and to
point the way ahead.

We need the courage of the birds
and the wild animals of the forest
who plan things out for themselves
and have strength sufficient for
every day. These inhabitants of
nature have no one but that God-
given instinct to guide them, but
they fare well. They have rest
periods. Man doesn't profit by
their example. Man worries, abuses
himself, and is all too often
wearing a coat of conceit. These
birds, that I watch eat and flit
about so happily, seem tireless, yet
they do not disdain their rest.

Morning is the time for our hard-
est and most important work. Be-
ginnings are all so important. I
always look for the new light of
the day, and when it is colored
with the glow of a rising sun, I
am fed with what it offers to my
body and my spirit. It is blood-
stirring to go to one's work for the
day with the dew of courage about
one's heart!

But we must be reverent — happy
and appreciative for our many
blessings, and look to God for
spiritual strength to guide us
through the day, bringing us to
our sleep of the night, happily
tired.

Tomorrow Mr. Adams will talk
on the subject: "Orderly Living."

HERITAGE
If the gold watch of your father
passed to you the day he
died

You would guard it with
devotion and you'd cherish
it with pride.

You would treasure it and keep
it till your work on earth
was done,
And make certain you could
leave it to your daughter
or your son.

You would never hold it lightly;
you would go to any cost
Not to have it taken from you,
or be stolen or be lost.
You would look on it as precious,
and your boast would often
be:

"Here's the watch by father
carried and when dying
left to me."

Well, our fathers left us
something which to win for
us they died.

They wanted us to have it and
to cherish it with pride.
It is freedom's flag above us! Oh,
forever may it float!

As a portion of that heritage, we
hold the right to vote.

It is ours to guard and treasure;
under freedom ours to use.
We got it from our fathers; and
that right we mustn't lose.

That vote they died to give us
and though each has only
one.

For our children we must keep
it so that we can pass it on.

WORST POLIO
YEAR MAY BE IN
MAKING IN PA.

HARRISBURG (AP)—A State
Health Department official pre-
dicted Monday that 1952 may be the
worst polio year in modern Penn-
sylvania history.

"From all indications it looks
like there will be 1,700 to 1,800
cases this year if the incidence
curve runs true to form," said Dr.
William D. Schrack Jr. of the Bu-
reau of Health Conservation.

The year of 1944 with 1,494 cases
is the modern record. Two years
ago the total reached 1,460 while
last year there were 871 cases.

Record Weekly High
Total cases reported to the bu-
reau so far this year reached 637
with the addition of what was
termed a record weekly high of 169
new cases during the first seven
days of September.

Dr. Schrack said the worst pre-
vious total he remembered was 118
cases during a week in 1950.

The August weekly totals mount-
ed steadily from 68 to 114, bureau
figures showed.

Lock Haven Hard Hit

One of the worst outbreaks in
Clinton and Centre counties where
epidemic proportions have been
reached with 64 confirmed cases
reported. The Lock Haven Board of
Health Saturday ordered all public
gathering places closed "until fur-
ther action of the board." The or-
der affects churches, Sunday
Schools, Y's, teenage centers and
similar places.

Many Clinton County schools al-
ready are closed. Two fatal polio
cases were reported since Aug.

The two-county area has a popu-
lation of about 45,000. The Nation-
al Foundation for Infantile Paraly-
sis considers more than two cases
per 100,000 population as epidemic
proportions.

Sudden Jump Upward

"Until two weeks ago 1952 was
running similar to 1950. Then the
number of reported cases began
running ahead and now it has
jumped about three weeks in front
of the 1950 performance," Dr.
Schrack said.

At the end of the first week of
September, 1950, the department
had on record 434 cases. The 600
mark was not reached until the
final week of September.

Last year 347 cases had been re-
ported after the first week of Sep-
tember.

Sees Two Reasons

Dr. Schrack said the heavy in-
crease in new cases over the last
two weeks as partially due to two
factors:

1. The delay, sometimes two or
three weeks, between admittance
of a polio patient to a hospital and
the report of the case to the de-
partment.

2. The heavy outbreak of polio
which reached epidemic propor-
tions in the area of the Clinton-
Centre county line.

New Cotton Crop
Estimate Is Lower

WASHINGTON (AP)—The Agricul-
ture Department Monday estimated
this year's cotton crop at 13,889-
000 bales of 500 pound gross weight.
This is a decrease of 846,000 bales
from the department's forecast of
14,735,000 bales a month ago. It
compares with a government pro-
duction goal of 16 million bales
and with forecasts of total needs
of between 13,300,000 and 14,600,000
bales.

Severe dry weather during July
and early August damaged the
crop in some Southeastern areas
to reduce production prospects.

"Flying Saucers"
Are Reported Again

KITTANNING, Pa. (AP)—State Po-
lice received reports from several
persons who said they saw flying
saucers in nearby Rayburn Town-
ship over the weekend.

Mr. and Mrs. Kenneth Wyant de-
scribed the two objects as "large
wagon wheel-like objects with a
flaming center." They appeared in
the northeast and disappeared in a
southwestern direction. Other wit-
nesses said the objects were so
low they could be lit up with a spot
light.

Marine Tells Girl
"Not To Wait"

NEW YORK (AP)—A Korea-bound
Marine kissed his girl goodbye yester-
day, telling her to "have a good
time and not wait" for him.

"But I'll wait," said the pretty
brunette as the train pulled out of
Pennsylvania station, carrying Sgt.
Hugh E. Kidd Jr. 22, back to Camp
Lejeune, N. C.

It was the end of a week end of
fun—a week end they almost
missed—for Kidd and 20-year-old
Patricia Hayes, Bronx switchboard
operator.

Kidd came here on Labor Day
week end to see Miss Hayes. It
was to have been his final pass be-
fore going overseas. He even went
to Boston in a fruitless search for
Miss Hayes, who was at a New
Jersey resort.

Marine officers issued him a spe-
cial pass for another trip to see
the girl.

ATLANTIC CITY, N. J. (AP)—New-
man R. Thurston, 55, of Grand
Rapids, O., treasurer of the Na-
tional Exchange Club, died here

COSTELLO MAY LOSE U.S. PAPERS

WASHINGTON (AP)—Three of the biggest figures in America's underworld—Frank Costello, Joe Adonis and Anthony J. Accardo—felt the weight of a new government crackdown on crime today.

In swift action yesterday, 1. The Justice Department announced it will try to strip American citizenship from Costello, Italian-born racket czar who came to this country at the age of 4. Loss of citizenship could lead to deportation proceedings.

2. A federal grand jury indicated Adonis and Accardo for contempt of Congress, a charge stemming from their refusal to answer questions before the Kefauver Crime

Investigating Committee last year. Conviction would entail both fines and jail terms.

Atty. Gen. McGranery said the attempt to cancel Costello's citizenship will be based on a charge that the dapper gambling operator who grew up in New York's tough Hell's Kitchen section neglected to disclose a criminal record when he applied for naturalization papers in 1925.

Serve celery as a hot vegetable, sometimes, with meat or fish. Dice the celery and cook it in a covered saucepan in one inch of boiling salted water until tender—about 15 to 20 minutes. Season with more salt, if necessary, pepper, and butter or margarine.

When teen-agers entertain at a porch party they'll like a fruit juice beverage and doughnuts topped with a chocolate frosting.

Littlestown

Pfc. Cyril D. Hockensmith, who has just concluded a thirty-day furlough spent at the home of his parents, Mr. and Mrs. Alvin Hockensmith, and family, near town, following a year and a half's duty with the Army in Germany, has reported to Camp Kilmer, N. J. From there he will be reassigned to duty in Korea. Pfc. Hockensmith was accompanied to Camp Kilmer by his parents and brother, Wayne, his brother-in-law and sister, Mr. and Mrs. Carroll Miller and Miss Pearl Sell, all of near town.

Chief Moves In
Chief of Police and Mrs. Melvin H. Swab and family moved last week from their home in Elizabethtown, Pa., into the Roger J. Keefe property, S. Queen St., Extd., which was recently vacated by Mr. and Mrs.

Leon H. Gage and family, who moved to Biglerville.

Miss Shirley M. Mackley, a member of the nursing staff at the Polyclinic Hospital, Harrisburg, spent Friday and Saturday at the home of her parents, Mr. and Mrs. Wilbur E. Mackley, and family, E. King St. Saturday visitors at the home of the Rev. and Mrs. G. Howard Koons and family, Christ Church parsonage, E. King St., included Mr. and Mrs. Christian Lehman and children, Gordon and Margaret, Mr. and Mrs. George F. Peters, Mrs. William T. Peters and Miss Linda E. Eby, all of Campbelltown, Pa.

At the Sunday morning masses in St. Aloysius Catholic Church, the pastor, the Rev. Fr. Edward J. Shanahan, read two letters from the Bishop George L. Leach, Harrisburg, Pa., one was an expression of thanks for the annual collection for the seminary fund. The other letter was

an appeal for the annual Peter's Pence offering to be received at the masses next Sunday morning at 7:30 and 10 a.m. The Rev. Fr. Shanahan also announced that on school days, daily mass will take place at 7:15 a.m. and on non-school days at 7:30 o'clock. The annual Forty Hour Devotions will begin in St. Aloysius Church on Sunday, October 5.

EGG STANDARDS TO BE BOOSTED

HARRISBURG (AP)—The State Agriculture Department Monday said higher standards for the grading and marketing of eggs in Pennsylvania will become effective Nov. 28.

"These revised standards will be of benefit to consumers because housewives will have greater opportunity to get their money's worth in the quality of graded eggs they buy," explained Miles Horst, state agriculture secretary.

Consumerwise, the new standards mean that eggs marked as a certain grade must meet certain standards of size or quality or the wholesaler or retailer is held responsible, Horst said.

Agents of the Bureau of Markets have been instructed to warn or prosecute violators after the effective date, he said.

Horst, meanwhile, advised Pennsylvania against selling their timber rights because of tree fungus disease known as oak wilt.

"The disease definitely has not reached epidemic stages and there is every reason to believe it has existed in Pennsylvania for 10 years," he said.

Death Toll In Jet Explosion Is 28

LONDON (AP)—The death toll in the explosion of Britain's De Havilland 110 jet fighter at the Farnborough Air Show Saturday rose to 28 Monday as a 14-year-old boy died in a London hospital.

The De Havilland fighter disintegrated and showered wreckage over the spectators in diving from 40,000 feet and cracking through the sound barrier.

Test pilot John Derry and his observer were among the 28 killed. Sixty-three others were injured.

Atlantic Hurricane No Longer Menaces

WASHINGTON (AP)—The Atlantic hurricane, although still dangerous to shipping, ceased to be a menace to the United States Coast Monday.

The Weather Bureau dropped its periodic advisory bulletins at 11 p.m. last night when the hurricane reached a position about 200 miles south of Cape Race, Newfoundland. At that time, the storm was moving between northeast and east-northeast at about 35 miles an hour.

Adonis And Accardo Indicted For Contempt

WASHINGTON (AP)—A federal grand jury Monday indicted two of the nation's underworld chieftains—Joe Adonis and Anthony J. Accardo—on charges of contempt of Congress.

The Senate voted last Jan. 23 to cite both of them for their refusal to answer questions put to them by the old Senate Crime Investigating Committee which Sen. Kefauver (D-Tenn.) headed.

Accardo, the reputed heir to Al Capone's place in the Chicago underworld, and Adonis, reputed overlord of gambling and vice on the East Coast, both refused to give information to the committee on grounds their answers might incriminate them.

SEEK INDICTMENTS
PITTSBURGH (AP)—Indictments on embezzlement charges involving \$338,901 will be sought this week against three former officials of a Pittsburgh Federal Credit Union.

U. S. Atty. Edward Boyle says he will ask a grand jury to indict John J. Cain, 45; Mrs. Nana V. Nicoli, 31; and Joseph B. Campbell. They are ex-officers of the Kaufmann Stores Employees Federal Credit Union.

RESUME PRODUCTION
PITTSBURGH (AP)—Production resumed Monday at the Nuttall Gear Works of Westinghouse Electric Corp., ending a 145-day strike. Members of the United Electrical Workers (Ind.) voted unanimously yesterday to accept settlement of a dispute over time values. Some 475 struck April 15. The agreement provides for time studies on certain lathe operations, processing of seniority grievances already on file and evaluation of new jobs which may arise.

SERVICES ON WEDNESDAY
PITTSBURGH (AP)—Funeral services will be held Wednesday for Mrs. Lillian Sarah Kaufmann, wife of Edgar Kaufmann, the president of Kaufmann's Department Store. She died on Sunday.

THIS IS THE VERDICT OF THE NATION'S LEADING IMPARTIAL MOTOR CAR EXPERT AS REPORTED IN MECHANIX ILLUSTRATED MAGAZINE, SEPTEMBER, 1952, ISSUE

NEVER has an automobile received a finer tribute than that accorded the Nash Ambassador by MECHANIX ILLUSTRATED Magazine's Tom McCahill, outstanding car expert.

Tom McCahill tests all makes of cars—200 different models in the past six years. He puts them through back-breaking grinds and reports his impartial findings. He writes of Nash:

"The finest shock-proof ride in the world today... Undoubtedly the best bump-leveler we have."

"On an acre-per-dollar basis, the bargain of the year."

"Among the best performing cars made in America."

"In hill-climbing, it takes a back seat to none."

"This year's line is by far the best Nash has ever offered, and that's saying a lot."

Visit your Nash dealer. See and drive America's first cars styled by Pinin Farina, whom McCahill calls the "Rembrandt of automobile design"—the Golden Airflytes. One ride and you will agree with Tom McCahill.

IT'S HERE!

Finest beer you ever tasted!

Schaefer beer is in town today! Try it! We think you'll agree it's really something special... because it combines everything you've ever wanted in a beer.

Schaefer is light, but full-flavored. It is dry, but not at the expense of character. It has satisfying body, yet is not heavy. And in your glass it develops a rich, full head—the crowning glory of a great beer. Schaefer has been brewing lager beer longer than anyone else in the country... and we believe today's Schaefer is the finest beer America has yet produced.

Ask for Schaefer beer today.

PENNSY'S CHIEF POLITICIANS SET FOR BIG DRIVE

HARRISBURG (AP)—Pennsylvania Democrats and Republicans rolled up their sleeves today for eight weeks of intensive campaigning as their candidates set out to meet the voters.

Strategy and plans were completed by heads of both parties over the week end. Now the candidates themselves take over with rounds of speech-making, rallies and banquets.

In addition to the national tickets, both parties are seeking support for four statewide candidates. Also at stake are 25 State Senate seats and the entire 208-member State House of Representatives.

The four GOP statewide candidates went to Philadelphia Monday for a dinner sponsored by Republican women as well as local meetings. Wednesday they go to Collegeville and the Reading Fair with Thursday stops at

Wilkes-Barre for a luncheon and Columbia County for evening rallies.

Luncheon On Friday

Williamsport GOP women will have the candidates as guests for a Friday luncheon with Saturday reserved for the traditional bean soup celebration at McClure in Snyder County.

The Democratic candidates visit Sullivan and Bradford counties today with Tioga and Potter counties on today's agenda. They speak at the York Interstate Fair on Thursday, moving over to Reading Friday and ending the week Saturday in Carbon and Monroe counties.

The Republicans will campaign on their national platform and the record of the GOP state administration. They have no state platform this year.

The 113-member Democratic State Committee, however, adopted a 4,000-word state platform here Saturday. It promises no new state taxes if a Democratic legislature is elected and is sharply critical of "Republican broken promises."

Sees Democratic Edge
Stephen A. Mitchell, new Democratic state chairman, predicted at a fund-raising dinner Saturday

Boy, 13, Is Third Victim Of Crash

SHARON, Pa. (AP)—James Scott, 14, of Greenville R. D. 4, died in Greenville Hospital Monday, the third victim of a two-car auto collision Saturday on the Sharon-Greenville Road.

Killed in the crash were Willis Kerr, 43, and O. M. Bang, 44, of Meadville, both formerly of Youngstown, O.

Robert Britton, 18, of Greenville R. D. 5, was the only passenger in either car to survive the crash. He is reported in fair condition from multiple injuries in Greenville Hospital.

night that 1952 registration figures would swell to an all-time high with the Democrats getting the edge.

"If we get them registered, we'll get more than half of them in the urban areas," he said.
In another speech Judge Guy K. Bard, candidate for U. S. Senator, lashed out at Sen. Edward Martin (R-Pa.) for not supporting federal control of tideland oil rights. He said Martin thus passed up "an opportunity to help Pennsylvania schools." Proposals have been made to earmark the oil money for schools if the federal government would get the rights, Bard said.

Fill 7 Vacancies

The executive committee also filed seven vacancies on the legislative ballot created by withdrawals or failure of write-in candidates to pay a filing fee. The deadline for substitutions is Wednesday.

Charles Weiner, Philadelphia assistant district attorney, was named the Democratic candidate for state senator from the Seventh District. He replaces the incumbent, Maxwell S. Rosenfeld, who withdrew. Rosenfeld has been mentioned for a possible federal judgeship.

General Assembly replacements include George Glick, Philadelphia's 21st district; Lee Yost, Union County; Dale Fleming, Erie's fourth district; Bryan Lee, Wyoming County, and Paul Margraff, Tioga County.

The Republican State Committee held its meeting last Wednesday in Philadelphia to coincide with the speech of Dwight D. Eisenhower, GOP presidential nominee.

TAFT BACKERS GIVE WORD ON IKE'S SUPPORT

CLEVELAND (AP)—Gen. Dwight D. Eisenhower's bid for the presidency was bolstered today by word from key backers of Republican Sen. Robert A. Taft of Ohio that they were going all out to help elect him.

They declared they contemplated no "sit-down" strike against his candidacy.

As Eisenhower turned toward Indianapolis for another stop on his Midwest campaign swing, his aides made no attempt to conceal elation at the warm reception accorded him in Taft's home state.

Taft Wants More Facts

Taft himself had not joined in the chorus. He said in Washington he wanted to learn more of the general's views before deciding how much of a role to play in the campaign.

But sources close to the senator said they had little doubt he would help the general's efforts.

Eisenhower told a press conference he and Taft intended to meet soon, possibly within a week, although the time and place had not been set.

Bricker In Line

As he rode into Cleveland from the airport, after a flight from Minneapolis, he was flanked in an open car by Sen. John W. Bricker, a long-time Taft ally, and Taft's brother Charles P., GOP candidate for governor of Ohio.

Bricker called upon a meeting of Ohio, Pennsylvania and Maryland Republican leaders to back Eisenhower's candidacy wholeheartedly.

A number of Republicans attending the three-state meeting said they were impressed by the general's forceful comments and a tribute he gave to Sen. Taft.

Applause On Taft

Eisenhower lashed out at the Democratic administration as a "damnable octopus" and hit at "left-wingish, pinkish" influences. But he drew his greatest applause when he said Taft's friends, in supporting him, were by no means abandoning their loyalty to the senator.

Eisenhower made it plain before heading into Indiana that he would ask voters to "support the Repub-

lican team," including Sen. William Jenner, who has called Gen. George C. Marshall a "front man for traitors." Jenner is seeking reelection.

Eisenhower has termed Marshall "a perfect example of patriotism," but indicated he would back Jenner as a matter of Republican party solidarity.

In response to a press conference question as to whether he regarded Jenner as "in the same category" as Sen. Joseph McCarthy, Wisconsin Republican also seeking reelection, Eisenhower replied sharply.

"I am not categorizing anybody. I am simply stating what I think about certain practices and ideas and I am saying what I think about party responsibility."

"I am going to try to make them see, either through argument or fight or persuasion that they have got to get away from that kind of thing and get back to Americanism."

In making a cold beverage with milk powder is thoroughly dissolved in the water. If you are in doubt whether it is all dissolved strain the mixture through a sieve.

It's also time to think about fall change-over for your car. It's time to tune-up the motor and change-over to pre-winter lubricants, for safe driving and extra mileage.
